Forewarned is forearmed, right? Now that you've read about Getting to Boquete Panama, read further about car rentals. If you go to any of the major online booking systems or car rental websites, you'll notice that you can rent a sedan for \$12.00 a day, unlimited mileage. Sounds great, right? What they don't tell you is if you scroll to the terms, taxes and fees that your rental goes from \$12.00 a day to \$50.00 a day for that same sedan. The majority of that increase comes from mandatory insurance. Forget using your American Express card or Visa for insurance as it doesn't work here.
