

## Boquete Cabinas

### Boquete Cabinas]

**Looking for a place that's quiet, with spectacular views and less than an 8 minute drive to town, for your next vacation? How about being able to enjoy a beautiful self-sustaining property, bird watch and eat organic veggies out of the garden?? Then I have the accommodations for you. All weekly rates include one free day.**

I have a **DOUBLE CASITA** (2 rooms and 2 bathrooms) for rent that can accommodate from 1-4 people when rented separate or together. The two tiled bathrooms have a sun roof and shower with hot water. Fast internet, all linens, and kitchen equipment are included. There is a covered, wind protected outdoor patio with a 4-burner stove and oven. The views are fabulous and the property is very private and quiet. No barking dogs or roosters.

The **SMALL** one has lots of counter and cabinet space and makes a great kitchen (or work space) with a small table and double bed on the other side of the room. This casita has a toaster oven, microwave, coffee maker, refrigerator, blender, and use of the 4-burner stove with oven on the patio. It's small and cozy with lots of windows looking out to the gardens. **\$500.00 a month**

The **LARGER** casita has a king size bed (guaranteed very comfortable), large couch, dining table and chairs, and a food prep area (for those who rent this casita separately), which includes a coffee maker, refrigerator, microwave, blender and large counter-top convection oven. Also, use of the 4-burner stove with oven on the patio There is Sky satellite TV in this casita only. **\$700.00 a month**

Interior walls are rustic wood paneling and laundry service available. Located in the mountains of Volcancito (4 km up), on a beautiful property with breath taking views and flower and vegetable gardens. A bird watchers paradise and less than an 8 minute drive to central Boquete. Buses and taxis are available on the corner. I also provide a list of English speaking taxi drivers who are reliable and have served my guests well. No pets. Please specify which cabina you're interested in or both.
